HUSH is honoured to announce they are the recipients of the Project of the Year Award for Avalon and The Gardens at Coronation. The Prestige Award was presented to HUSH by the Ontario Home Builders Association, the voice of the residential building industry. The award is judged on all aspects of the project, from Sales Centre, brochures and signage to architectural floor plans. The Gardens at Coronation and Avalon Project has been nominated for over 8 awards in the past year including the 2010 Project of the Year Award based on entries from all across Ontario.

HUSH offer buyers their trademarked four part HUSH Methodology process that starts from the moment a client first sets foot in the Sales Centre and lasting for the entire time they live in their HUSH home.
